Samples and back issues

Published issues of *The BAS Speaker* contain a trove of audio and other information. While there have been some 40 volumes since 1972, we suggest that new members consider acquiring volumes 17 on.

For the contents, refer to https://www.BostonAudioSociety.org/bas_speaker.htm

Originally printed volumes 6-16 and 18 are complete, and we have some individual issues.

Volumes 1-40 are available as PDF files on CD-R (see above).
